NARMER AMERICAN COLLEGE HONOR CODE

At Narmer American College, we believe that trust and honor are the foundational qualities of character and are best prepared as early in life as possible. At NAC, the Honor Code is embodied in two central themes. First, the NAC Honor Code represents the highest ideals of moral development, integrity and achievement. Through the Honor Code, we instill in our students a respect for the ideas, work, and property of others and personal respect for all members of the NAC community. Secondly, the Honor Code represents Narmer American College's commitment to teaching and promoting honor and trust within the school community.

Younger students are taught the essential concepts of the Honor Code. As parents of young students, we hope that you will work with us in developing in your child the qualities of honor, integrity, respect, and trust, which we believe, are essential to a successful life.

At NAC, elementary school programs are designed to provide a challenging and developmentally appropriate learning experience. Led by a skilled and nurturing faculty, Narmer American College teaching strategies are based on the most recent research in education and studies analyzing how your children learn best. These methods capture the natural curiosity of children and include hands-on learning, cooperative group work, open-ended questions, and various problem-solving activities that promote critical thinking and curiosity.

NAC STUDENT HONOR CODE PLEDGE

As a student representing Narmer American College, I will maintain a high level of respect, ethics, and integrity. I understand and will uphold the Narmer American College Honor Code in letter and spirit. I will not lie, plagiarize, or be complicit with those who do. I will not vandalize the school property or the property of any member of the NAC community. I am further aware that, as a member of the NAC community, I am expected to report violations of this code as I know of them to occur. I accept responsibility for my own actions and will bear the consequences assigned by the classroom teacher and the principal.

Narmer American College is accredited by the North Central Association Commission on Accreditation and School Improvement (NAC CASI), an accreditation division of AdvancED; International Baccalaureate World School, Diploma Program (IBDP); Middle States Association Accreditation (MSA); and approved by the Egyptian Ministry of Education of the Arab Republic of Egypt. ACADEMICS

Report Cards/Progress Reports

Parents of Elementary students receive Progress Reports as needed. Elementary students receive grades in academics, work habits and behavior.

Report Cards are received on trimester basis, after which, Parent-Teacher Conferences are scheduled - this is a time for the teacher and parent to share information about the grades and success of your child.

After checking the Student Management System - Grade-book, if your child is receiving a grade lower than 60% in any class during a certain period, please request a conference with your child's teacher.

A Report Card or Unsatisfactory Progress Report will state whether assignment to the Academic Assistance Program will be necessary.

Academic Assistance Program

NAC offers Academic Assistance to students who are experiencing academic difficulties in their core subjects (English and Math). This program is not optional, and students are required to be in attendance. The program is either a pull-out or a push-in.

NAC Elementary school faculty members welcome the opportunity to work individually with students experiencing temporary difficulty with assignments or new concepts. If, however, it is determined by the grade level administrator that a student requires assistance outside the scope of time available that can be realistically provided by the classroom teacher, then assignment to the Academic Assistance Program will be recommended.

Please note: Narmer American College will not provide tutoring by any teacher outside of the Academic Assistance Program. NAC school policy prohibits teachers from tutoring NAC students.

Homework Policy

At Narmer American College, homework is an essential part of the learning process and is considered to be an extension of the daily classroom instruction. Students are expected to complete homework assignments on a regular basis. The purpose of homework is to foster a child's independence and responsibility, to develop good study skills, and to provide practice for optimum skill development in all areas.

Commented [HA3]:

Daily Homework Time Guidelines

Commented [HA4]:

Grade Level	Assigned Work	Independent Reading
Grade 1	10 minutes	15 minutes – can be with parents
Grade 2	20 minutes	20 minutes
Grade 3	30 minutes	30 minutes
Grade 4	40 minutes	30 minutes
Grade 5	50 minutes	35 minutes

These guidelines are set for the average student and are affected by a his/her reading ability and rate. The classroom teacher may make the necessary adjustments to the homework schedule. If a student consistently takes more time to complete the homework, a conference will be scheduled with the classroom teacher. Homework assignments and due dates will be available on the NAC Portal.

Quizzes, Tests, Exams

Measuring student's success towards achieving the academic goals of each of his/her subjects is an essential part of the Student Assessment Program at NAC. Your child's teacher will provide you with a testing calendar for all quizzes, tests, and projects.

Promotion and Retention

A student may be promoted to the next grade level based on mastery of the current year level's academic requirements in core subjects.

The recommendation of the classroom teacher is an essential part of the promotion or retention of a student at Narmer American College.

ATTENDANCE WARNING LETTER

Narmer American College

Date: _____

To the Parent(s)/Guardian(s) of: _____

Our records indicate that your child has accumulated an excessive number of unexcused absences. Regular attendance is absolutely necessary in order for your child to progress in his/her academic studies and graduate from NAC. As per Narmer American College Attendance Policy, students are required to attend school regularly and it's the responsibility of the parents and/or guardian to ensure that.

Please be advised that:

Article (5) of the ministerial decree:

1. If a student's absence exceeds fifteen consecutive days or thirty intermittent, his/her case is presented to the school Admin.
2. If absences have been for medical reasons, emergency or injury, the school issues an official excuse and the student is allowed to resume his/her classes and take his/her final exams. If documents were not presented to validate that, or they were inadequate, the student is suspended from school. A student who does not meet the "required" 85% of attendance is not allowed to take the final exams.
3. In serious cases of absences, the school will notify the student officially.

A student's inability to meet the school attendance expectations will put the student at risk of either:

a) Sitting for a Re-take exam OR b) Repeating the grade level

SECTION IV

ALPHABETIC LISTING OF KEY WORDS AND EVENTS

ABSENCE

It is extremely important that all children must be in attendance in school on all scheduled school days unless they are ill. Please call the Admin Assistant if your child has a communicable disease (measles, chicken pox, etc.) Also, remember to keep your child's teachers aware of the situation. The office will require a note from your child's doctor before he/she may return to school. A child is to be fever free without the use of fever reducing medications for 24 hours before returning to school.

In the event that a child may become ill or injured at NAC, the school doctor will immediately contact the appropriate administrative assistant, who will in turn contact the child's parents or guardian advising them of the illness or injury.

Upon presenting a doctor's note, the absence will be considered "Excused", and the student will be allowed to make up for the missing work with the same credit.

ACADEMIC DISHONESTY

All students at Narmar American College are expected to abide by the Honor Code. Giving or receiving unauthorized information during a test, or copying another student's homework/classwork/assessments will result in a zero (0) and the parents/guardian will be contacted. **Infractions may result in suspension from school and exclusion from Honor Roll eligibility.**

NAC accepts the following definition of Academic Dishonesty; *Academic Dishonesty is defined as the improper acquisition (obtaining of information pertinent to homework, projects, reports, research papers, quizzes, tests and final exams.)*

Examples of this type of behavior include, but are not limited, to:

1. Opening notebooks, text books, or other class related material during a quiz, test or exam without the expressed instruction of the classroom teacher.
2. Communicating or exchanging material in any fashion with another student during the quiz, test, exam, CW, or HW without the specific instruction of the teacher (e.g., looking at another student's paper, talking, use of wireless communication devices, copying HW/CW, etc.)
3. Using unauthorized testing aids (e.g., calculators, tablets) during quiz, test, and final exam.
4. **Plagiarism** is a form of academic dishonesty. *Plagiarism is defined as the copying of all or a part of a piece of work from an encyclopedia, book, or internet word for word, without giving specific credit.* (During the first week of school, NAC faculty will discuss plagiarism with their students.)

If the Associate Principal determines that Academic Dishonesty has occurred, a disciplinary action may include a loss of full credit for the quiz, test, exam, homework, report, project, or any other assessment piece on which the cheating took place. In all cases of academic dishonesty, the student's parents or guardians will be notified immediately.

ARRIVING AT SCHOOL/TARDINESS

Children should enter school grounds between 7:40 A.M. and 8:00 A.M. Grades 1-5 students are asked to meet their teachers at a location determined by the teacher, typically in the classroom or on the plaza.

Students are tardy if they are not at school at or before 8:05 A.M., and must report to the Reception Desk. Students will not be able to interrupt the class time, and therefore will be staying at the office until the session ends. Elementary students using private transportation and arriving after 08:30 A.M. risk in-school suspension.

If your child is using the Bus Service, he/she should be waiting for the bus at the appointed time, inbound (coming to school) or outbound (leaving school). If a student misses the bus, inbound or outbound, it becomes the parents' responsibility to bring them to school or take them home, whichever the case may be.

We ask that you do NOT deliver your child to school before 7:40 A.M. nor after 8:30 A.M.

Parents can help improve students' attendance in the following ways:

- Let your child know that you think school is important.
- Set a regular bedtime schedule. Age should not be a factor.
- Provide your child with plenty of time to get ready for school.
- Plan an alternative way for your child to get to school on time in case the usual method is not available.
- Schedule medical, and other appointments after school hours whenever possible.
- Off days will be followed as per the school calendar; however, unforeseen changes will be communicated through a letter/e-mail/message from the school.
- If your child rides the school bus, please make sure he/she is downstairs and waiting at their assigned bus stop on time. Bus drivers have been instructed not to wait for late students.

BACKPACKS

Oversized backpacks are not permitted for lower school students (Grades 1-5). They pose a potential threat to the safety of the students. Normal size backpacks are appropriate. Backpacks on wheels are permitted.

BIRTHDAY PARTIES

In pre Covid years, it was customary to celebrate birthdays at school. However, this tradition was suspended during Covid and it has not, to date, been reinstated.

BOOK FAIR

NAC sponsors an annual Book Fair as a service to NAC students and their families. We work with several vendors to ensure that there are a variety of books for sale. Teachers are available to make appropriate suggestions for your individual child. Students and staff look forward to the Book Fair, and we enjoy encouraging their love for reading and buying good books. All books are evaluated for their appropriateness before being put on sale.

BULLYING

Narmer American College believes that an environment where all students, faculty, and staff feel safe is indispensable to learning. Narmer American College does not tolerate "bullying" which we define as **repeated, unwanted, aggressive** (verbal / emotional / physical) behavior among school aged

children that involves a real or perceived power imbalance. A person is being bullied by another person who repeatedly subjects him/her to negative actions.

Bullying includes, but is not limited to these actions:

- ❖ Threatening, taunting, or teasing another student by saying mean and hurtful things.
- ❖ Consistently ignoring or excluding another student from a group or intentionally leaving a person out of activities.
- ❖ Hitting, kicking, or attempting to restrain another student.
- ❖ Telling lies, or spreading rumors about a student or attempting to make others dislike him/her.

Narmer American College will not accept bullying behavior in any situation on campus. Students who engage in such behavior are subject to serious disciplinary action.

In keeping with the Narmer American College philosophy on bullying, students should abide by the following:

- We will not bully others.
- We will help students who are bullied
- We will be inclusive of all.
- When we know someone is being bullied, we will tell an administrator/a teacher at school and an adult at home.

CONCERNS AND COMPLAINTS

If at any time, you or your child feels the need to express a concern or a complaint to the school, we encourage you to **start with your child's teacher** by sending an online message through the system. If further dialogue is necessary, **contact your child's grade level administrator** through an **email**, and express that concern so that we get all the necessary details and act thoughtfully and appropriately.

COMMUNICATION

A newsletter will be sent electronically to all parents of elementary school students on a monthly basis. This newsletter includes news, notification about upcoming events, announcements, notable students and/or teacher achievements.

COMPUTER RESOURCES

- Narmer American College believes that our students must be prepared for an increasingly digital society.
- Narmer American College has made a substantial investment in computer technology for instructional purposes. Use of the resources is restricted to students working under a teacher's supervision and for approved purposes only. Violations of the NAC Computer/Internet Use Policy may result in withdrawal of privileges and other disciplinary actions.
- Students should be aware that electronic communications, emails using NAC computers, are not private and may be monitored by school personnel.

DISCIPLINE AND BEHAVIOR POLICY

Any elementary student who does not comply with the NAC Code of Student Conduct or is interfering with his/her teachers' decisions is an obstacle to the learning of all the students in the class. Persistent misbehavior, even minor incidents, may lead to serious consequences. If the classroom teacher finds it necessary to send a child to the grade level administrator's office, and if counseling or consequences do not correct the behavior, a parent conference will be scheduled. If problems persist, the child may be suspended from school.

Behavior

In order for a student to take advantage of available learning opportunities at NAC and to be a productive member of the school community, each student is expected to show the following Positive Behavior (see appendix):

- o Demonstrate respect and courtesy even when others do not
- o Behave in a responsible manner always exhibiting the necessary self-discipline
- o Attend all classes regularly and on time 08:30 A.M.
- o Prepare for each class by taking the appropriate materials and assignments to class
- o Follow the NAC Uniform Dress Code
- o Obey all school and classroom rules
- o Respect the rights and property of other students, teachers, and other NAC staff
- o Respect the property of others, and the property and facilities of NAC

DISMISSAL

Parents/Guardians/Authorized People picking up students from school should have the student's ID with them. Parents should sign an authorization letter (*Attached*) at the Reception Desk and receive an Authorization Code to be able to pick up their children. Students taking the bus should be in the designated area on time.

DRESS CODE

All NAC students are expected to be in the school uniform each day the school is in session. The school uniform is described in this handbook under Letter U.

EARLY RELEASE

On occasions, it may be necessary for a child to leave school early. A request should be submitted **early enough** to the office **via email**, no later than 12:00 noon, and a notification to the homeroom teacher via the school messaging system. Students who need to be released before the end of the school day for an emergency will be dismissed from their classroom only in the case of approval from the Grade-Level Principal and a pass by the Grade-Level Office.

- **UNDER NO CIRCUMSTANCES WILL A STUDENT BE EARLY-RELEASED WITHOUT PRIOR NOTICE TO THE ADMINISTRATIVE OFFICE VIA E-MAIL.**

ELECTIVE/EXCUSED ABSENCE

At NAC, we believe that all students must be in class on all school days. Teachers are not permitted to prepare lessons in advance for elective/excused absence. Make-up work is the responsibility of the student and his/her parents. The grading of make-up work will be at the discretion of the classroom teacher. A medical excuse should be submitted to the teacher in the case of a health issue. **All make-up work is to be completed within the same number of days as the absence – (ex. 1-day elective/excused absence = 1 day to make-up missed work.)**

ELECTRONICS; CELL PHONES, SMART PHONES, SMART WATCHES, IPODS, IPADS POLICY

Students in the elementary school are not permitted to use cell phones, smart phones, smart watches, IPODS, IPADS, or any other electronic devices during school day unless requested by their teacher for learning purposes. NAC is not responsible for any inappropriate messaging sent among students on any social media (Facebook, WhatsApp, etc.) that takes place before, during or after school hours. However, if a student uses NAC technology to send inappropriate messages, serious consequences will result including loss of the privilege to use NAC computer technology. Violation of this policy will result in immediate confiscation of the device.

NAC assumes no responsibility for lost or damaged electronic devices. Parents of younger school students are strongly discouraged from sending their child to school with expensive smart or mobile phones. These devices, in the possession of younger children, often get lost, damaged, or are left on school buses.

EMAILS FROM PARENTS

At NAC, educating students is the shared responsibility of the parents and the school. NAC makes every effort to keep parents informed of the policies and programs of our school. Parents and guardians are asked to familiarize themselves with the school's regulations, especially concerning regular attendance, and the maintenance of successful academic performance.

Email correspondence is an acceptable form of communication. Copies of emails will be kept on file in the American Elementary Department Assistant Principal's office. Please send your emails to the Assistant Principal, Ms.

FIELD TRIPS

Field trips are an extension of the classroom activity and are a privilege. Students are required to have written permission before going on a field trip. **Students are required to ride the bus during the field trip and return on the bus.** Students on field trips will be supervised by NAC teachers at all times. School Uniform and Discipline Code apply to all field trips.

Students may be excluded from any field trip because of academic or disciplinary problems.

Note: All field trips are approved by the Managing Director and Principal of School. No other NAC staff members are authorized to approve any field trips. All field trips follow the NAC Field Trip Policy & Procedures.

HEALTH RECORDS

For your child to be fully enrolled at Narmer American College, all health records must be current and on file in the Registrar's Office, the school clinic and the Administrative Office. **Failure to provide all health records or intentionally withholding information about your child's health may result in the parents being asked to withdraw their child from NAC.**

IN-SERVICE/PROFESSIONAL DEVELOPMENT DAYS

In-Service/Professional Development Days are work days for faculty and staff and **non-school days for all students.**

LIBRARY

As a regular part of their schedule, all students spend time in the library. Students are able to check out books. Students are responsible for returning the library and Guided Reading books in the same condition as when they checked them out. Students are required to pay for all lost or damaged library and Guided Reading books.

LOST AND FOUND

Please check with the Reception Desk, on Level 1 in the main building, for lost-and-found items. Please label all items belonging to your child. After a reasonable amount of time, unclaimed items are donated to local orphanages.

LUNCH

Elementary students eat their lunch in the designated area, typically the cafeteria, during their scheduled break time. We encourage parents to provide their children with a healthy lunch without excessive sugar or foods high in fat. Students are under the supervision of their classroom teacher and must be seated while eating. Students must clean their eating space.

MEDICATION

Prescribed medications may only be administered by the school doctor. All medications, including Asthma inhalers, must be handed over at the school clinic in the original package along with the doctor's prescription.

MONEY

Students should not bring large sums of money to school. Only amounts which should not exceed the cost of their lunch purchases are allowed. In case of specific school requests for fees (e.g.: trips), money delivered should be the same exact amount requested and enclosed in a sealed, labelled envelope with the parent's name/student's name/grade level.

NON-UNIFORM DAY

At the discretion of the grade level administrator, students may have a scheduled non-uniform day during the school year. Please be sure that your child's outfit is appropriate for school. If the clothing is found inappropriate, parents will be contacted to bring a change of clothing for the child.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are scheduled either virtually or physically three times during the school year. All parents are encouraged to set an appointment with teachers to discuss their child's progress. If additional conferences are necessary, they may be requested by the parent or the child's teacher. We encourage parents to stay in regular contact with their child's teacher.

PARKING REGULATIONS

We ask that, when you drop your child off in the morning or pick him/her up at the end of the school day, you do not triple park, block the street traffic, or obstruct the school bus departures. **If you send a driver to pick up your child, he must follow the directions of NAC security personnel. Failure to follow parking regulations will result in the driver not being permitted to be near the campus. All drivers must have approved identification on file at our security office.**

PERFORMING ARTS

All students will present several performances during the school year. Performance dates are listed on the calendar and posted on our website.

RESPECT

Essential to the development of a child's character is instilling in them a sense of RESPECT for themselves and for the significant adults in their lives: adult family members, teachers, and other adults with whom they may have contact: administrators, staff, building maintenance personnel,

cafeteria workers, and guests to our campus. Respect for country plays an important role in becoming a good and productive citizen, and to take pride in being a citizen of Egypt, every Monday morning at approximately 7:45 A.M., elementary students gather on the plaza in line with their class to pay tribute to Egypt by reciting the pledge of Egypt and singing the Egyptian National Anthem.

SECTION V – RULES AND REGULATIONS

SCHOOL BUS SAFETY RULES AND PROCEDURES

The most important element of school bus transportation is the safety of students. In order to achieve a safe and efficient system, students, bus matrons and drivers must strictly adhere to the following rules and regulations:

1. Students shall always take a seat upon boarding a bus and remain seated at all times while the bus is in motion. They must fasten their seat belts at all times during the bus ride.
2. Conduct on the school bus shall be of the same high standard as expected in the classroom. All school rules apply while students are on the bus. Such acts as fighting, pushing, obscene talk or gestures, will not be tolerated and will be cause for disciplinary action.
3. In order to maintain a strict time schedule, drivers cannot wait for students. Students must be ready and on time for boarding the bus each morning. The students must be ready five minutes before the bus is scheduled to arrive.
4. Students should not talk to the driver while he is driving.
5. Students shall wait until the bus comes to a full stop before entering the roadway to board the bus or before leaving their seat to get off the bus.
6. No student should be seated next to the driver.
7. The bus doors must remain closed. Students are to keep arms and head inside of the bus at all times. Bus windows shall be kept shut unless permission to open them is given by the driver.
8. No talk about politics or religion is allowed between the students or with the bus matron or driver.
9. Sharp items, bulky items, and other dangerous objects are prohibited on the bus.
10. The bus radio won't be switched on during the bus ride.
11. Students shall remain on the bus until it arrives at school or at home. Drivers will not let students off upon request unless a pass is obtained from the Main Office for a change in the riding status and given to the Bus Supervisor. A written parental request is required for any change from one bus to another or for a change in pick-up or drop-off point. Allowing for sufficient time to effect these changes, ensures student safety.
12. The school bus matron and the driver are completely in charge when transporting students. All instructions given shall be followed and students should cooperate with the bus matron and driver in any way they can.
13. Any damage to the bus caused by a student will be repaired at the student's expenses.

NAC RULES AND REGULATIONS

We are a professional educational institution with a legacy and mission to educate our students teaching them the meaning of dignity and pride in order to become successful individuals who are treated with respect.

The NAC school administration will not allow any violation of its rules under any circumstances. Every employee in the school, whether a staff or faculty member, is treated with full respect by the school administration, and we therefore expect the same attitude from all the parents.

Any offense or disrespect towards any individual at NAC; a student, an employee from the faculty, or staff; is considered an offense to the School Management and Administration as a whole.

Parents need to be aware that they are not permitted to use any aggressive language, attitude, or loud tone with the receptionists, security personnel, or with any other NAC staff or faculty member under any circumstances at any point of time, or they will be escorted out of the school premises. In case of any offense against any school employee or security member, the aggressor will be prohibited from attending any school events and legal action will be taken against him/ her.

All NAC students should be committed to following all the rules and regulations of their academic institution, and we together, parents, NAC Administration, Faculty and staff, must put our hands together in a triangle of cooperation for the benefit of all students. **As parents**, you will always be **role models** for your children, and therefore your continued cooperation is highly appreciated.

Parents are not allowed to enter the NAC school gates under any circumstances before 8:30 A.M. and before announcing the purpose of their visit to the security personnel at the school gate. The purpose must be either: having a preset appointment, needing to purchase the uniform, or paying school fees.

Parents coming in for a preset appointment must remain in the reception area until the Admin Assistant escorts them to their meeting venue, and they aren't allowed to wander around the school under any circumstances.

The security personnel at the gate are instructed to follow the school rules and are given strict orders regarding the security of the building, and they are forbidden to allow any unannounced visits (without an appointment) unless the visit is to pay fees or to purchase school uniform.

The reception personnel are strictly instructed to greet the parents who enter the school and to receive and deliver messages to and from the administrators, the faculty, staff, and parents. They are not authorized to interfere with the school policy or regulations of the school. They are therefore instructed not to allow parents out of the reception area without approval from the Principals and Administration. However, they will give you the decision of the administration regarding your request.

Parents are not permitted to interfere with school decisions, rules or regulations. NAC is fully abiding by the Ministry standards and has its own policy which is neither flexible nor negotiable and will not accept any parent's interference under any circumstances.

The school administration holds the right to the placement of the students in classrooms. We ask parents to trust the school decisions concerning this issue, as it is based on many factors.

All the rules and regulations stated above are for the benefit of each and every student enrolled at NAC.

In case of an emergency, and only an emergency, the parent may come to school to meet the designated Principal and if he/ she is not available, the parent will meet with the School Principal.
